Falcon Flight to D.C. & Williamsburg, 2019

Are you ready for the trip of a lifetime? Do you want to travel to our nation's capital with your best friends, Mr. Campbell and Mr. Walker on this **school sponsored and indorsed** trip?! Too fun! Great sights! Lots of history! We are inviting students to join us on an incredible learning experience to **Washington, D.C. and Williamsburg, Virginia**, May 29-June 1. We will enjoy the history and beauty of our nation's capital, visit the home of George Washington at Mount Vernon, and immerse ourselves in colonial times in Williamsburg (as well as have some fun at Busch Gardens Amusement Park) during our four day adventure.

This ***all-inclusive*** trip includes round-trip airfare, luxury tour bus transportation all during our time in D.C./Virginia, hotel accommodations, a certified tour leader, adult supervision, insurance coverage, night chaperones for security each night at the hotel, all meals, admissions, and gratuities. The tour company, WorldStrides, has been the nation's leader in educational student travel for over 40 years. *We have also been able to knock the price of this year's trip down and still retain all off the cool things we have always been doing!!*

...

Mr. Campbell and Mr. Walker have led student trips around the country during the past 20 years, many times to both Washington, D.C. and New York, New York. Both are seasoned travelers that have a passion for history, and absolutely love this opportunity to expose Summit Lake's students to our nation's rich cultural and historical roots. Mr. Campbell and Mr. Walker are both certified in Secondary Social Studies.

If you would like more information about the details of the trip, visit www.worldstrides.org (trip ID# 164847) or call 800-468-5899 to register. You may also contact Mr. Campbell (brian.campbell@lsr7.net) or Mr. Walker (michael.walker@lsr7.net) (the SLMS trip leaders) for more information about this chance to experience historic Washington, D.C. Trip packets are available in Mr. Campbell's room 611.

Let's make this the biggest, best trip to remember!
