The SLMS PTA Board and Committee Chairs have been passionately planning how we can best help make the 20-21 school year a success.

We will begin recruiting new members, both family and businesses, by August 1st. Your membership helps us contribute towards several activities throughout the school year like Staff Appreciation, Mentor Lunches, Red Ribbon Week and many more. As a member you can also be placed on our volunteer list (if desired) to be contacted when we need help with an event.

Our Spirit Wear Committee is almost ready to reveal their designs for this school year, please follow us on Facebook where you will get to see the first look of this year's designs: [SLMS PTA Facebook](#)

We strive to make our interactions as safe as possible, so we will be selling Membership and Spirit Wear through our website <http://summit-lakes-middle-school.square.site/>. It's currently under construction, but will be updated as item details become available.

Any questions can be directed to the PTA through our Facebook page or to [SLMSPTA2014@yahoo.com](mailto:SLMSPTA2014@yahoo.com).
